

Dear Ministry Partner,

When tragedies through natural disasters, such as the recent hurricanes, affect the homes and lives of our Christian brothers and sisters, you may ask yourself, **“What can I do? How can I make a difference?”**

LCEF RESPONDS

At Lutheran Church Extension Fund (LCEF), we asked ourselves those same questions and responded. We connected with the LCMS Disaster Response ministry and provided a \$250,000 grant through the Kaleidoscope Fund. Up to an additional \$600,000 has also been made available through the Fund to grant to current LCEF borrowers in these natural disaster areas to help them as they rebuild and move forward.

YOUR COMPASSIONATE RESPONSE

For you, our investment partner, we are providing a giving opportunity through LCEF's Special Interest Fund Program. This donation program allows you to contribute a portion or all of the interest earned on your current LCEF investment(s), for the period of time you choose, to the Kaleidoscope Fund. *All of your designated interest dollars will be allocated to hurricane relief efforts.*

RESPOND TODAY

Enclosed is a simple form requiring your attention to respond to this unique opportunity. By compassionately responding, you will make a difference for so many in their time of need.

If you prefer to give a one-time gift, please join us in giving directly to the LCMS Disaster Response ministry at lcms.org/disaster-response.

OUR COMMITMENT

LCEF is here to serve you and the LCMS. For more information about interest giving, the Kaleidoscope Fund, or other LCEF products and services, please call us at 800-843-5233, Monday-Friday, 7 a.m.-6 p.m., CT.
